

# New Homeowner Security Checklist

---

## Red Flags to Watch For

### Immediate Concerns

Call LAW Security immediately if you notice:

- ☐ Repeated false alarms - Could indicate tampering
- ☐ Suspicious neighborhood activity - Unfamiliar people casing homes
- ☐ System malfunctions - Sensors not responding properly
- ☐ Previous security signs - From unknown companies (could be fake)

### When to Call Professionals

- ☐ You feel overwhelmed by security options
- ☐ Existing system doesn't work properly
- ☐ Neighbors report recent break-ins
- ☐ You want integrated smart home features
- ☐ You're leaving town frequently

☐
