Family Security Planning Checklist

LAW
SECURITY

Emergency Response Plans

- ☐ Review alarm signals and what they mean
- ☐ Practice what to do during an alarm event
- ☐ Identify safe exit routes and meeting points
- ☐ Keep emergency contacts updated in the system
- ☐ Ensure everyone knows how to call for help

Child Safety Protocols

- ☐ Teach children how and when to arm or disarm the system
- ☐ Assign age appropriate user codes
- ☐ Set alerts for doors opening during certain hours
- ☐ Review what to do if a stranger approaches the home
- ☐ Keep panic buttons or emergency features accessible

Senior Security Considerations

- ☐ Use simple keypads or app controls
- ☐ Enable medical or emergency alert features if needed
- ☐ Ensure cameras cover entry points clearly
- ☐ Set notifications for unusual activity
- ☐ Keep instructions written and easy to follow

Pet Safety Measures

- ☐ Adjust motion sensors to avoid false alarms
- ☐ Secure pet doors and monitor usage
- ☐ Use cameras to check on pets while away
- ☐ Store pet food and supplies away from entry points
- ☐ Share pet information with emergency contacts
